

I do not know if this is the proper place to place a complaint about a telemarketer via phone services. I received a call this morning at 8:30 am asking to speak with mr or mrs hood-burgess. I said "you are". and then asked who is calling. The person then hung up on me. I wish to make a complaint about this. I immediately dialed *69 (a last incoming call lookup). The number was 803-308-7402. I tried to call the number and it doesn't receive incoming calls.

Thank you for your time.

Sincerely

Michael Dean Hood-Burgess, Sr.
